Not much good to talk about in cattle					Bowman	1	herf	1375	57.00
marketing these days, other than the fact that					New Town	1	black	1055	57.00
feeders are willing to participate in the market,					Dunn Center	1	black	1375	56.50
no matter where it's at.					Belfield	1	black	1270	56.50
It's going to be very interesting to see what the					Halliday	1	red	955	56.50
world looks like six months from now. This					Hebron	1	black	1240	55.50
economic shutdown is going to take many,					Belfield	1	red	1815	55.50
many businesses down, including many farms					Halliday	1	herf	1455	55.50
and ranches.					Halliday	1	herf	1120	55.50
If it goes on long enough, there will be a major					New Town	1	black	1130	55.50
reset in land prices, land rent, and maybe even									
the cost of production.									
Now would be a good time to take a good look									
at our operations and determine the things we									
do that have value, and those that don't. It's									
going to be a different world if continues much									
longer.
